Clinton County Tea Party

Limited Government • Fiscal Responsibility • Free Markets

Our mission:

To assemble local citizens interested in asserting and protecting their natural rights as defined in the Ohio and U.S. Constitutions. We strive to educate voters so they can make informed decisions. We are action - oriented. We believe that it is not enough to complain about the problems, we need to do something about them!

If you are concerned about where our country is headed, please join us in steering it back in the right direction!
